

The background of the right half of the image is a stylized Union Jack flag. It features a light blue field with white diagonal stripes forming a saltire. Overlaid on this is a thick, hand-drawn style red cross.

Service of the Reformed Church
Zurich

Our home on earth is a mere tent – but one filled with bagels, hymns, and good company.

Once a month, the Reformed Church Zurich holds an English-language service at the Church Enge (*Kirche Enge*). Our services are part of a broad range of English-language worship opportunities in the city of Zurich. Rooted in the Swiss Reformed liturgy, we seek to bring together music and prayer with an open-minded, justice-oriented theology for our time. We welcome people of various backgrounds and orientations!

You are also invited to join the English Services Choir (ESC).

Rehearsal ESC at 09:00 am
Coffee and bagels at 10:00 am
Services begin at 10:30 am

Would you like to volunteer and help prepare our services? We look forward to hearing from you!
